KOLOREK DLA MIKOŁAJA

As you know, The Color Run does not know the words: "I can not", "I do not want to". Because you can run for happiness in any style and at your own rhythm.

Boundaries are only in our minds and the world is full of possibilities.

For Mikołaj - Boy without borders, we initiated a plastic bottle caps from bottle action.

"take a right, take a left and it is done" - said Mikołaj, when he was testing his three-wheeled vehicle. Let this be the mantra of this year's edition. :)

REMEMBER!

We need each one of the plastic bottle caps.

WHERE WE WILL BE COLLECTING THE PLASTIC CAPS?

You will find a place with a flag like in the right on the festival zone.

Warsaw! We count on YOU!
Let's bring colours to the Mikolaj's word.
